

Instructions for accessing and playing CARE Kahoot games

1. Go to www.getkahoot.com
2. In upper right hand corner, click on " sign in".
3. Log in is: carechicago
4. Password is: 12345678
5. In upper left, click on "Kahoots"
6. Pick which program you want to use, click "Play" for that game
7. At Game options, go to drop down and turn on "Randomize order of answers" and "Display game PIN throughout"
8. Click on the "classic" tab
9. Instruct the audience members to log in on their web browsers with "www.kahoot.it"
10. On their devices, put in pin number that is on screen
11. After audience members put in names (which can be fake names) start the game.
12. Kahoot games (as of October 2, 2018):

Get Smart about Budgeting and savings (6 questions)

Get Smart about Credit Reports, Credit Scores and ID Theft (7 questions)

Get Smart about Credit Cards (10 questions) Mastering Student Loans (25 questions)

Many more

Note: If you think there should be a change to any Kahoot game (in the answers or questions or in adding or deleting questions), please do not make this change on your own. Instead, please contact Joseph U. Schorer (joseph.schorer@kirkland.com) or Jeffrey Schwartz (jschwartz@muchlaw.com).
